Born from loss and built on love, Beit Binyamin is a national healing home in the heart of Tzfat, created by Jen and Rob in memory of their son Binyamin Airley z"l who was killed during the war shortly after October 7th. It offers soldiers, bereaved families, reservists' families, survivors and others affected by war a place to pause, rest and begin to recover, physically, emotionally and spiritually. This is not a memorial. It is a living declaration of hope, unity and renewal and is healing Am Yisrael, one retreat at a time.

GET INVOLVED AT THE VILLAGE SHUL

Are you interested in supporting The Village Shul and making a difference?

We're opening up new and existing committees and building a roster of volunteers to help continue all the amazing things the VS has to offer.

There are so many opportunities to choose from, and more hands make light work—so the more, the merrier! The more volunteers we have, the less each person needs to do to help keep VS thriving.

Joining a committee is also a great way to get to know the inner workings of the shul and see if a future seat on the board might be something you'd be interested in.
