**Make sure we can all celebrate
this holiday season**

*Help make sure that all of our neighbours
& friends can celebrate the holidays!*

September 4, 2026

To the members & friends of the ATCS,

Dear Members and Friends of ATCS,

As the summer draws to a close and Rosh HaShanah approaches, our community naturally shifts its focus toward the upcoming High Holidays. Yet for many families right here in our neighbourhood, this transition brings severe financial anxiety.

Between rising living costs, holiday expenses, tuition, and basic household bills, an increasing number of hard-working parents are finding themselves overwhelmed by the stretch between their income and their obligations.

Throughout the year, and particularly during this season, I hear directly from local residents who are struggling to cover essential needs—whether that means putting fresh food on the holiday table, purchasing basic clothing and school supplies for their children, or keeping up with monthly housing costs. These are responsible, dedicated community members, often the very neighbours and friends we sit beside in shul or greet at school drop-off.

While I reach out to you every year on behalf of the **TCS Rabbi's Tzedakah Fund**, the economic pressures facing our community this season make our collective support even more vital. Despite these hardships, the strength, dignity, and resilience of these families remain extraordinary, but they cannot bridge the gap alone.

I ask you to please include the TCS Rabbi's Tzedakah Fund in your pre-Rosh HaShanah giving. Every dollar contributed goes directly to families within our local community to relieve immediate financial burdens—100% of your tax-deductible donation is distributed without any administrative deductions.

How to Give:

- **Online:** Visit the shul's website to make a secure digital contribution or:

Thank you for your warm generosity, your partnership, and your commitment to ensuring every family in our community can enter the new year with relief and joy.

May you and your loved ones be blessed with a healthy, peaceful, and happy New Year.

With my appreciation,

Rabbi Avram Rothman
