NEW THIS YEAR IN CPS

**20 Minutes of
Special Simchas Torah
Entertainment & Snacks
for KIDS 11:45AM**

**DOWNSTAIRS IN
GROUPS ROOM #1**

Along with hundreds of shuls across the world, one of our Sifrei Torah at CPS will once again be adorned with a beautiful me'il, designed to mark the anniversary of October 7th.

The back of each me'il will feature the name of a different one of the kedoshim who have died Al Kiddush Hashem since October 7th.

The CPS me'il is in memory of Liav Aloush, who fell on 17 December 2023. Liav was a Sergeant First Class in the Duvdevan Unit. He died Al Kiddush Hashem at the age of 21.

The background is a light pink color with various decorative elements. There are several pink ribbons with bows, some in shades of purple. Scattered throughout are small gold hearts, larger pink hearts, and gold starburst shapes. In the top left corner, there is a gold chain bracelet with a heart charm and a small bow. In the bottom right, there is another gold chain bracelet with multiple charms including a heart, a flower, and a bow. The main title is enclosed in a white, scalloped-edged frame with a gold border.
